## GOING OUT OF BUSINESS SALE

We have been in this business serving the archery public continuously for twenty-seven years. During that time we have met many good friends and have consistently nurtured and fostered the shooting sports of archery and bowhunting. It is now time to phase out of the retail operation and go on to other things.

Starting on February 1, 2012 we will be selling the inventory and assets of TOLLGATE TRADITIONS at deep discounts.

**FINISHED ARROWS AND  
ARROW COMPONENTS: 30%**

**ALL ACCESSORY ITEMS: 40%**

**LONGBOWS & RECURVES will be  
priced as marked.**
